Did you know:

The Spruce Cliff Community Association was established in the 50s and is run by a dedicated group of volunteers, *your neighbours*, who believe strong communities are engaged communities. We are committed to being an inclusive and caring community. We value being a safe, beautiful, active, and accessible neighbourhood.

Our mission is to promote and foster communication, advocate for our neighbourhood and build connections for our residents, associates and partners.

We connect the community with information and opportunities;

We advocate for improvements to the community public realm to enhance quality of life for our residents health and safety;

We encourage pride of place and connecting with your neighbours and;

We steward to the lands and facilities under the community associations jurisdiction.

You could be part of it too!

Your CA is busy planning the next few months as we come into Spring and Summer. Things are really *heating up*! We are always looking for engaged neighbours. If you are interested in taking part in events, being part of planning, or just looking for more information, please send us an email at info@sprucecliff.org or drop us a letter at **3375 Spruce Drive SW**

Keep an eye out for fun pop-up events at Cedar Crescent Park and Spruce Cliff Park throughout the Summer. There will be activities for the whole family to enjoy such as: Calgary Food Trucks, Curbside Concerts, as well as local vendors! You will not want to miss out...

How to meet your neighbours...

Federation of Communities (April 2023)

*There are little things you can do
that will go a long way for
bringing neighbours together!*

Moving to a new neighbourhood can be exciting and intimidating if you don't know anyone. Welcoming new neighbours into your community can be a great way of meeting new friends and establishing good relationships with neighbours. It has numerous benefits and even reduces the possibility of crime because people who know each other are more likely to look out for one another.

Do your part to transition new neighbours into your community or to meet neighbours who have been in your community for a while that you haven't met yet. There are little things you can do that will go a long way for bringing neighbours together!

1. Introduce yourself to your neighbours and ask them a few questions about themselves. Tell them some information about yourself too. Some good starting points could be where they moved from or how long they've been in the community. Also, new neighbours could use information about the community association's programs and services, how to become a member, upcoming events and even great local businesses or restaurants.
2. Welcome your neighbour by making a small yet caring gesture or gift. It can be the traditional 'pie', a cup of coffee, some flowers or vegetables from your garden or even invite them for dinner. Moving is hard work and a warm meal will be appreciated by your new neighbours!
3. After introducing yourself, make the effort to wave, greet and make small talk with your neighbours continuously. This encourages friendly discussion and makes neighbours feel continuously welcomed.
