Community Development - You don't have to travel far in Spruce Cliff to see the significant amount of construction happening within our community. **Did you know you can comment and give your feedback to the city planning department?** Visit <https://developmentmap.calgary.ca> zoom in on Ward 6 or type in Spruce Cliff and spend some time looking at the various plans for the neighbourhood. You can provide your feedback on each development before the comments are closed for each file. Get involved and make your voice heard! **There is an important City Public Hearing on land use on March 23 – [Notice of Public hearing - Proposed Repeal of Rezoning for Housing Bylaw](#)**

May 2, 2026 Wildwood & Spruce Cliff Clean Up – Mark your calendars. The annual clean up is set for May 2, 2026 9am-1pm. Any items you'd like to take to the dump can be dropped off at the Wildwood Community Hall 4411 Spruce Drive SW. Watch website or social media for updates.

May 13, 2026 – Spruce Cliff Community Association AGM 7-9pm Everyone Welcome 3375 Spruce Drive SW. You must be a current member by April 28 to Vote at the AGM.

Volunteers Needed!!- Do you have a green thumb or enjoy watering plants? Volunteers are needed to help maintain the parking lot beautification project as well as watering the gateway black pots that welcome vehicle and foot traffic to the neighbourhood. If you are willing to help out during the summer months please contact info@sprucecliff.org Become part of the gardening club! Watering commitment is one week a month.

Free Tree's- The City of Calgary is welcoming back the "Branching Out Tree Program" partnering with Calgarians to increase the urban tree canopy. Residents can apply to get one or two trees to plant in your yard. SW residents can apply **Monday April 27th at 10am**. Pick up is in June - 10,000 trees will be available. To register go to www.calgary.ca/branchingout

There are a couple of other larger scale projects: the corner of Bow Trail & 37th Street and the Spruce Cliff Downs site that may advance in the next while. Also in the Urban Planning portfolio is the potential repeal of the blanket rezoning, the circulation of the Guide for Small Scale Housing, and the in progress re write of the Land Use Bylaw.

Engaged & informed communities are great places to live and play, all good reasons to be a member of your Community Association. www.sprucecliff.org Your purchase of a membership supports our efforts. In this season of giving, please **consider a gift membership purchase for that helpful friend or neighbour and help support the community at the same time.** Membership Form is on page 2 or visit sprucecliff.org. It makes a difference!

Douglas Fir Trail update: - Parts of the Douglas Fir Trail remain closed for repairs & slope remediation until at least October 2026. The larger trail repair project is not yet funded and therefore no official opening date has been announced. There have been two Town Hall meetings with Ward 6 Councillor John Pantazopoulos to discuss the future of the trail. The latest updates can be found at www.calgary.ca/douglasfirtrail Quarry Trail remains open during this time.

Garbage/Recycling bins: Reminder to please bring your green/black & blue bins in from the alley after emptying to keep the lane clear.

Community Safety Advocacy – 37th Street North of Bow Trail has been signed at a safer residential speed of 40km recognizing the built density of the adjacent sites.

Spruce Cliff Community Association

AGM

Annual General Meeting
2026 May 13
7 - 9 PM
3375 Spruce Dr SW
sprucecliff.org

Save the Date: Wednesday July 1st - Celebrate Canada day at Cedar Crescent Park SW. The Spruce Cliff Community Association will be there handing out free snacks and drinks. Bring your bike for a free tune up. Watch social media for more details.

The CA submitted a response to the city's request to identify needed improvements for communities seeing density increases. Our response included the mobility safety concerns many of you have raised and others identified in the City's public engagement on the Westbrook Local Area Plan. Identified are the deteriorated conditions of the engineered walkways that replace east/ west streets in the community. Also over the year there was good engagement on – Spruce Drive Pathway Improvements – your feedback is being consolidated into a plan – see the latest version (not final) on the Spruce Drive Pathway Improvements | Engage engage.calgary.ca/sprucedrive.

Urban Forest – With the advocacy of the Community Association, Spruce Cliff was the recipient of a significant tree planting program last summer & more new Evergreens will be planted in 2026 to help offset the loss of private trees on redeveloping lots.

The adage See something – Say something applies not just to reporting crime We encourage you to continue to submit 311 Service Requests for things you observe that need attention- like: graffiti cleanup, shopping cart pickup, assistance to address social disorder in our lanes & park spaces, removal of dead trees and missing or uneven sidewalks and potholes.

March is MEMBERSHIP MONTH! JOIN TODAY. Your membership support is the foundation of the society's work. With the energy of volunteers, and some successful grant applications in the last year we were able to entice some of you out to mix and mingle in our parks and participate in a little "care" of the community's public spaces. The Community Association needs volunteers to continue to help connect the community with information and opportunities. If you have expertise, experience, just keen to meet people or learn something new and want to contribute to making Spruce Cliff a great place to live and play – we need to hear from you. As little as four hours a month makes a positive difference in the community. Email president@sprucecliff.org.
