

Spruce Drive Pathway Improvements

Hey neighbour!

This street is changing, and we have a design to share with you.

We're excited to share the design for the Spruce Drive Pathway Improvements project.

Your input helped shape a safer, more connected route along Spruce Drive S.W. from Worcester Drive S.W. to Bow Trail S.W.

Please scan the QR code or visit us at engage.calgary.ca/SpruceDrive to learn about the project and connect with our team.
